Installation

- A. Pre-Installation**
- B. Schedule**
- C. Appointment-Length of Installation Time**

What you can expect from us:

- 1. We will work together on installation dates.**
- 2. All art files will be ready to go on the installation date.**
- 3. Your approval on the PDF Proofs will be necessary prior to the installation date.**
- 4. You will be reminded the day before your scheduled installation date.**

What we need from you:

- 1. Review the art files when sent to you via email.**

2. If the art files are ready; we need an approval via email from you. 3. Arrive on your scheduled installation day with a clean vehicle (no wax).
